

**Admission Procedure**

Admission is open to any individual grades KG, as long as the student is 5 on or before September 30<sup>th</sup>, through 5<sup>th</sup> grade who, pursuant to state law, is entitled to attend school. In making admission decisions, the School shall not discriminate on the basis of race, color, creed, sex, or disabling condition. Upon admission of any student with a disability, the School will comply with all federal and state laws regarding the education of students with disabilities.

The School shall not limit admission to students on the basis of intellectual ability, measures of achievement or aptitude, or athletic ability. The School shall not offer attempt to give any monetary payment or in-kind gift to any student or student's family as an incentive for the student to enroll in the School.

The School shall restrict admission to all of Ohio.

If the number of applicants exceeds the capacity restrictions of the School, students will be admitted based on a lottery system, with the following students given preference:

- students who attended the School the previous year;
- siblings of students attending the School the previous year;
- students who are the children of full-time staff members employed by the School, provided the total number of students receiving this preference is less than 5% if the School's total enrollment; and
- students who reside in the district in which the School is located.

The lottery system adopted by the School functions as described below.

- Each applicant exceeding the capacity of the School shall be assigned a number.
- A neutral third party will randomly select numbers, and as each number is selected, the respective student is placed on the permanent waiting list. Once placed on the permanent waiting list, the student retains the position from year-to-year unless the student is no longer an eligible student, is no longer interested in admission, or is selected for admission and thereby removed from the permanent waiting list.
- The School may, in its sole discretion, decide to institute one lottery system and permanent waiting list, or may decide to institute separate lottery systems and permanent waiting lists for each age or grade.
